

Home Learning Task: 12.1.18

Home Learning Task: Topic

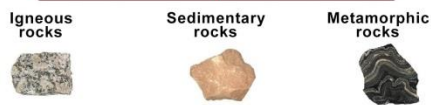

Select one or more tasks to complete:

- Create a timeline of events from the eruption of Mount Vesuvius in Pompeii
https://www.youtube.com/watch?v=dY_3ggKg0Bc

- Create a fact file about a volcano of your choice
- Take part in your own rock hunt and find some Metamorphic, Igneous and Sedimentary rocks

Types of Rocks

- Sketch a fossil or a gem stone
- Find out about volcanoes that are on the ocean floor and under icecaps
- Build a model of a volcano: see if you can make it erupt by using baking powder and vinegar.
