

## Home Learning Task: 9.3.18

### Home Learning Task: Maths

- Go on a 2d shape hunt around the house. Find the shapes on the list and identify their properties.

#### 2D Shape Properties

Name \_\_\_\_\_

Study some 2D shapes. Look carefully at their properties. Write your results in the table.

Name of 2D Shape	Total Number of Sides	Number of Straight Sides	Number of Curved Sides	Number of Corners
Square				
Rectangle				
Circle				
Triangle				
Pentagon				
Hexagon				

What do your results tell you about the shapes? \_\_\_\_\_

- Draw a picture of your choice using 2d shapes. Can you measure and record the sides of each shape? Remember to use a ruler and record your unit of measure.

- Draw and Measure it!

- Draw a rectangle that has sides that measure 5cm's and 3cm's
- Draw a rectangle that have sides which measure 6cm's and 8cm's
- Draw a square with sides that measure 8cm
- Draw a triangle that measures 4cm on each side
- Draw a hexagon that has sides which measure 3cm
- Draw an octagon that has sides that measure 5cm
