## VIKING & ROMAN CLASS NEWS

The children have come back after half term eager and very enthusiastic to learn about our new topic - Burps, Bottoms and Bile. We are going to be delving deep into our digestive system and looking at how our body functions. In science, we have already learnt about our teeth and why we need to look after them. In history we have learnt about how doctors used to diagnose and treat patients.

For the rest of the term, the children will be carrying out some gruesome science experiments, creating some new healthy snacks and learning about famous scientists that have changed the world that we live in today as well as learning about the artist Miro. All of this as well as our wonderful reading, writing and maths.

Thank you so much for all your support with their reading, spelling and multiplication skills. This does have a big impact on all subjects within their school work.

What a busy and exciting term we have ahead! We can't wait to see what new snacks the children will invent! Maybe we will see their new product on supermarket shelves in the future!

## SICKNESS POLICY

Although we pride ourselves on our excellent attendance, we do ask that parents follow the sickness policy and that a **minimum** of 24 hours is waited before your child returns to school from the child's last episode of sickness. Please follow this policy and use your parental intuition to see when your child is fit to return to school.

Returning before the bug is fully out of their system may cause illness to continue to spread to others.

## COLD WEATHER

As the weather is getting colder please could you ensure your child has a warm coat for school as well as a hat, gloves and scarfs as we head into winter. Please ensure that all items have your child's name on.

## FLU VACCINES REMINDER

Due to the ongoing restrictions linked to COVID-19 we have made the difficult decision not to allow the exchange of Christmas cards in school. We know that children will want to send greetings to one another and we have some great alternative ideas for them to do this.

### CHRISTMAS CARD ALTERNATIVES

With Christmas creeping ever so slowly closer and a number of bubbling questions about Christmas cards this year, I want to share with you an amazing solution for all! Contribute a newly released or great tale instead of the often painstaking job of writing a class set of cards! This avoids the concerns and need to quarantine Christmas cards, but shares the love of gifting as well as the excitement of turning the pages together! And it is so easy to do!! Let your child/ren choose a title from the wish list below, add it to your basket (with a personal message if you wish) and the rest gets done for you! Also a great alternative to sweets to mark and celebrate birthdays. An heirloom in LCA library from you to us!

### CHRISTMAS DINNER DAY

11<sup>TH</sup> DECEMBER

Christmas dinner will be on the 11<sup>th</sup> December and will consist of roast turkey and all of the trimmings and the vegetarian option will consist of Quorn fillet with all of the trimmings. Christmas dinner will be available for everyone to book through Parent Pay.

### CHRISTMAS JUMPER DAY

11<sup>th</sup> DECEMBER

Christmas Jumper Day is held to raise money for Save the Children. We ask that children come to school in their Christmas Jumpers. Suggested donation of £1.

### CHRISTMAS CARD

#### ALTERNATIVES continued.....

As another alternative to writing Christmas cards this year, the children can use Purple Mash to create a picture and send to their friends in their own class.

To do this, use 2Publish and choose one of the designs, such as card, page border or pages of a book.

Save the work under 'my work' and then use 2Email to send. We will add a video on Google Classroom to show how to use 2Publish and 2Email.

### CHRISTMAS PANTO DAY –

17<sup>TH</sup> DECEMBER

This years Christmas panto, Jack and the Beanstalk, will go ahead this year, but will be held online for your children to watch during the school day.

We do not require any payment.

### CAFS VIRTUAL CHRISTMAS RAFFLE/ WEAR TRAINERS FOR SCHOOL - 27<sup>th</sup> November

CAFS have added to our festivities this year with a virtual christmas raffle. As with previous years, children come to school wearing trainers in exchange for alcohol/chocolate. This year each class will have their own hamper box of gifted chocolate/alcohol. This will remain in their class and one child from each class will win their class box.

Raffle tickets will available to purchase between 27<sup>th</sup> Nov to 4<sup>th</sup> Dec. Tickets will be £1 each and can be purchased via bank transfer with your child's name and class as a reference. (Bank transfer details are to be confirmed in the next newsletter) Names will be put into a class pot and CAFS will go live on the weekend of the 4<sup>th</sup> December to pick the winners.
