Lincoln Carlton
· ACADEMY ·

Happy New Year and welcome to back to term 3. At the end of this term, we will be halfway through the academic year and as always it is flying by. The children have come back to school raring to go and it is this term that we tend to see the biggest academic advances, relationships with new teachers are established and things just start to click. Please support your children as much as you can at home by checking in with them, hearing them read and supporting (not doing it) them with their homework.

We've had a great response to our warm rail, and the great coat giveaway! Thanks for your support in this. If you or anyone else you know is still in need of a coat or some winter clothes, we have a cupboard permanently placed in the outside area by our Reception Office. Please go along and help yourselves.

Thanks also for supporting our weekly food swap Friday. I know that families have appreciated the availability of bits and pieces so please continue to drop off bits on a Friday morning so that they can be collected on Friday after school.

Mrs Malam

[Robins & Blackbirds Class News](#)

Happy New Year! We have started this year with looking at Winter – we discussed the weather and clothing we wear.

Our theme this term is 'Animal Magic'. We have talked about pets we have and thought about how we care for animals. We started our new core text 'Owl Babies' and the children have loved making bird feeders this week and creating owl art!

In Phonics, we have moved to Phase 3 so lots of new phonemes and tricky words to learn.

Math Share – Weds 25th Jan

We will be holding a Maths Share on Wednesday 25th January at 9am. Share is where parents/carers are able to come and see what their child has been learning this term and this time the focus is on Maths. We would also like you to join in by working with them on a short maths challenge in their classroom

Due to space, we are having to restrict it to 1 adult per child and because of the content of the share this time we apologise but unfortunately you won't be able to move around to different classes, you will need to stay in the same class for the whole session.

Parents Evening – Save the date

Dates have been added to the diary for parents evening on 26th & 27th April 2023. Further information will be sent out in the coming weeks via Parent Hub.

Please be reminded that if you have any concerns, worries, or have anything to raise about your child, please do contact the school office or your child's class teacher. To keep open communication with staff, we have sent class teachers email address via class channels on parent hub.

Updating Information

If you have any change of details for your child, including contact details, address, email, allergies, or any medical conditions, please inform the school office via email on enquiries@lincolncarlton.anthemtrust.uk

Lost Property

We have seen a huge amount of lost property over the last few weeks. Please ensure all of your child's belongings are labelled clearly with their name.

You can order labels through <https://www.stikins.co.uk/> and by using the school fundraising number: **35505** you will also be supporting our school as a portion of profit comes back into school for various resources and activities.

School Disco's

Dates for school discos have been add to dates for the diary and more information about these will follow throughout the year.

Warm Rail Cupboard

Adult and children coats can be found in the cupboard next to the main school office entrance. Please help yourself if you or anyone else need one.

Spares for Reception

If you have and/or would like to donate any of the following items as spares, to keep in school, for our reception children, they would be gratefully received.

Kindly bring them to the school office before the end of the day on Friday 20th Jan.

4- to 5-Year-old sized:

- Socks
- Grey Trousers/Navy Joggers
- Pants

Thank you in advance for your support.
