## MESSAGE FROM MRS MALAM

The start of every academic year is always exciting - a time of hope, anticipation, change, joy and happiness and in spite of the death of Her Majesty Queen Elizabeth, staff at LCA have managed to make it all as magical as always. Children have asked lots of questions about this turning point in our history and we have of course marked the occasion and been honest and reflective but have on the whole carried on as normal. I hope this is in keeping with your expectations.

We loved seeing so many of you at our parent share event this week and hope you will now be able to picture your child at school, and in their classrooms a little more easily. It hopefully settled you to see the relationships that your child has already made with their new teaching team.

As always, I want to remind you that we are all here to help you. The senior team stand on the gate every day – talk to us! If there's something worrying you, or something that's made you pleased we would be delighted to hear about it.

---

## CLASS NEWS - ROBINS & BLACKBIRDS

We have loved our first week in school. We have been exploring our classrooms and we are making new friends every day! We have been on a tour of the school and met lots of staff, including Chef and the Leadership team. We are learning the school rules and the children have made a great start in following these.

Coach Jack is delivering Balanceability with the Robins and Blackbirds this term and we have had our first session which we loved!

We look forward to you sharing your 'All About Me!' this term!

## TERM DATES 2022- 2023

For this year's terms dates please see link below:

<https://lincolncarltonacademy.com/information/term-dates>

---

## CURRICULUM – YOU SAID, WE DID

Back in the summer we surveyed parents, and many said that they would like more information about what their child is learning about at school. As a result of this feedback, I am going to start sending regular 'Curriculum Spotlight' information via the newsletter and Parent hub. Each Spotlight will focus on a different area of the curriculum to help you to understand what is taught, when it is taught and why. By now you should have received an overview of the subject areas that your child will be learning about this half term via Parent hub and this should help you to start understanding what their year will look like. A new one will be sent out at the beginning of every new half term. In the meantime, there is a wealth of information on our website about everything we teach at LCA in every subject so please head over to [www.lincolncarltonacademy.com](http://www.lincolncarltonacademy.com) for more information. Thank you.

Mrs Melhuish

## RE-UNIFORM SHOP

We have another re-uniform pop up shop on Wednesday 28<sup>th</sup> and Thursday 29<sup>th</sup> September.

Please see poster attached for more information.

## REMINDER

As we begin a new school year, we are reminding all parents and carers that if a person other than a parent or carer is collecting your child from school, you must give your permission for them to do so. Please email the school office to inform us of who will be collecting your child.

## PHONICS MEETING – (RECEPTION CHILDREN ONLY)

We will be holding a phonics meeting for parents on Wednesday 21st September 2022 at 5pm. This meeting is for parents only and our EYFS team will be going through what phonics is and how we teach it here at Lincoln Carlton Academy.

## ABSENCE REPORTING

We are always looking for 100% attendance and aim to achieve great attendance results, however we do understand days off due to illness or injuries are sometimes unavoidable. We do ask that you call the school office **every day** if your child will be off school. You can do so by emailing [enquiries@lincolncarlton.anthemtrust.uk](mailto:enquiries@lincolncarlton.anthemtrust.uk) or by calling us on 01522 522633.

If your child has a medical appointment of any kind, we kindly ask that you please complete the form below:

<https://forms.office.com/r/GqhXik8PUN>

## HEALTHY SNACKS

Children in Key Stage 2 can bring a healthy snack into school for morning break. For example, a piece of fruit, cereal bar, dried fruit or breadsticks are all great for giving children energy and keeping their bodies fueled until lunch.

## LINCOLN LARDER HARVEST FOOD DONATIONS

We are supporting Lincoln Larder again this year and kindly asking for donations of food run for Lincoln Community Larder who help those in need in our community. Lincoln Community Larder is run entirely by unpaid volunteers whose mission it is to provide emergency food parcels to families and single people who face a crisis in their lives.

Attached is more information about the Larder and a list of food.

We will start collecting donations on Tuesday 21<sup>st</sup> September until Tuesday 4<sup>th</sup> October and will have a trolley placed outside the front office all day every school day for you to drop any donations to.
