WELCOME BACK NEWS

It's been a wonderful return back to school for and so good to see you all. I want to thank you all for bringing your children on time, and in full school uniform, and for helping them to become independent, especially in the mornings by coming into school by themselves from the main school gates. This has really helped to limit the crowds from forming.

Just a couple of reminders to ensure that you have all the information you need.

- Please make sure that you/your children arrive ready to start 8:55 for reception and years 1 and 2 and 8:50 for all other years. Please ensure that your children don't arrive too early for school as you/they will not be allowed access to the playground before the senior team arrive on the gates.
- Try not to gather in really large crowds at the end of the day. Use all areas to spread out and let your child know where you will be waiting.
- Remember it's fine to carry on wearing masks if you want to. Some families are worried by the crowds of people and many have vulnerable family members.
- Remember that on non-PE days your child should not be wearing trainers.

Here's to another exciting and "normal" term!

NAME LABELS IN CLOTHING

Please ensure your child's clothing and shoes are all labelled clearly with their name. Unfortunately, we cannot return lost clothing if it has no name on. We have also been asked by a number of parents to request you check that your child has come home in their own uniform and not someone else's.

DATES FOR THE DIARY

YEAR 1 WOW DAY
Animal Themed Day
Monday 11th October 2021

SCHOOL PHOTOS
Individual photos
Wednesday 20th October 2021

Flu immunisations
Wednesday 17th November 2021

End of Term 1
Thursday 21st October 2021

YEAR 1 WOW DAY – MONDAY 11TH OCTOBER

Year 1 will be having an animal themed WOW day on the 11th October. The children have the option to dress up – any animal they want.

ROBINS & BLACKBIRDS

Please ensure your child has a spare set of clothes (named) in a bag that can stay on their peg - a PE bag or carrier bag is perfect for this as big bags do not fit on the pegs, a named water bottle and their wellies- we will be going to the field weekly from 20/9/2021.
