MESSAGE FROM MRS MALAM

As we approach the end of the year your mind will be starting to think about which class your child will be in next year. We've found in previous years that it has been unsettling and anxiety provoking for many children if we do this too early. As such, our transition day this year will be on Thursday 14th July.

Whilst we are thinking about staffing, I need to let you know of some changes which will happen from September. Miss Deen (Y6) has decided to take a break from teaching and is going travelling to far flung and exotic places and we are very jealous! Miss Dickens (Y5) has got a well-deserved promotion to a be year group leader at a school much closer to her home (less petrol money is a massive bonus too as you can imagine). Miss Catten (Y1) has missed working in Reception classes and has found a position at another school in this year group. Finally, Mrs Price who has worked as our Special Needs teacher in Explorers class over the last couple of years has secured a position working for St Christophers Special School. I can't express how much we will all miss these four special colleagues, they have worked so tirelessly for your children and we don't quite know what we will do without them. It's always sad to part company but what I know of these ladies is that they will be successful, hardworking, much loved and valued wherever they go and that they will always be welcomed back here warmly.

You will be pleased to hear that we have already secured 2 additional teachers for the years 5 and 6 positions, and both are very experienced in upper key stage 2. Miss Martin (Y6) and Miss Cropper (Y5) will be joining us for our transition day in July. To replace Miss Catten two of our part-time teachers who you will already know, will job share in Birch Class – Mrs Wood and Mrs Adams. Sadly, we will not be replacing Mrs Price but special needs provision across school will continue to be met through base class teachers, TAs and our Sendco, Mrs Clark.

LANCASTER & SPITFIRE CLASS NEWS

Lights... Camera... Action...The fun has begun! In Lancaster and Spitfire we are working hard on the production of Robin and The Sherwood Hoodies and we know the children can't wait to be in the limelight to perform for you all. Bravo!

Over the past couple of weeks, we have had some visits from secondary school staff and know that the children are very much looking forward to their upcoming transition days at secondary.

We're hoping that the children are excited about our many end-of-year celebrations for their last few weeks at LCA. We really are going to miss them!!

LOST PROPERTY

All lost property will be placed on a table outside of the school office on Thursday 23rd and Friday 24th June.

Please ensure your child/rens belongings are clearly named so they can be returned.

FREE SCHOOL MEAL CHECK – ARE YOU ENTITLED?

It is important that every parent/carer complete a check for all of your children in school, even if you do not think you are eligible and encourage you to make the claim for the following reasons:

- It provides your child with a meal of their choice each day in school at no cost to yourself – this can save you on the cost of a meal or packed lunches.
- It enables us to support your child further with achievement and wider opportunities due to the extra funding which becomes available.

For more information on this and instructions of how to check your eligibility, please visit:

LAST DAY OF TERM!

HOT WEATHER- WATER BOTTLES-SUNHATS

While the weather remains warm, please ensure your child brings a named bottle of water to school with them daily.

We would also advise that you apply suncream to your child before you bring them in in the mornings. If you think your child will need to re-apply again throughout the day, then we ask that you please send a named, spray type cream so that children can apply it themselves.

Please remember sun hats too!
