JAPAN & BRAZIL CLASS NEWS

This term our topic is Enchanted Woodland. To start the new term, we had a WOW day to immerse the children through a range of different activities. These included problem solving and prediction tasks based on traditional tales and making some very messy bird feeders! The children are really enjoying our reading rewards when they've read 20 times at home. This can be school books or books from home. We've already given out a few prizes! Please can you remember to write in your child's reading record so we can change books and tick off their reward card.

ONLINE SAFETY

The following website is a very useful way of finding out information about the online apps, games and social media sites that your children are using on their devices. You are able to use the search feature to find out official age restrictions, information about the content, safety features and top tips for staying safe.

Please use this website to familiarise yourself with the games and apps that are being used and make time to have discussions with your children about how to stay safe when they are online.

SICKNESS POLICY

Although we pride ourselves on our excellent attendance, we do ask that parents follow the sickness policy. We ask that a **minimum** of 24 hours is waited, before your child returns to school from the child's last episode of sickness or diarrhoea providing your child is well enough to attend.

ILLNESS POLICY

If your child becomes ill and time off school is unavoidable, we do ask that you call the school office **every day** if your child will be off school. If there is anything specifically keeping your child off school, we would like to discuss it with you. We may be able to help. Please contact the school office or your child's class teacher.
