MESSAGE FROM MRS MALAM

As this is the last newsletter of the academic year, I need to mark the occasion with some hellos and goodbyes. As you all know Alice Birkett, administrative assistant, has recently gone on maternity leave and we wish her all the very best for the exciting next few weeks. We can't wait to see you again soon and to have some cuddles with your little one. Jade Tiller, year 1 class teacher, is moving onto a new school from September after a successful few years at LCA since being a student teacher here with us. We know she will be a successful, amazing and much-loved addition to her new school. She is wise beyond her years and an incredibly intuitive and talented teacher and we will miss her massively. Mellissa Haines, Year 1 class teacher, has only been with us briefly but we have loved getting to know you and I know that you will be a valuable asset to your new school. Brandon Ranby, TA, is also leaving us at the end of the academic year, his broad smile and energy will be missed by us all. Good luck everyone. Don't forget to visit us soon.

We have made some internal leadership changes moving into September and I am delighted to tell you that Amy Melhuish steps into a deputy head role and Ruth (Senco) Clark into an assistant head role (still retaining her responsibility for Special Needs at school).

I want to pay tribute to all of the staff at LCA, as they have worked tirelessly over the last academic year in incredibly challenging times. Moving seamlessly between remote, in person and blended approaches has taken its toll on the personal lives and depleted the energy levels of our teaching team but they have come in every day with smile son their faces, ready to go. The site team have worked their socks off keeping us super clean, sanitised and all the anti-bac stations filled and ready to go. The kitchen team have worked in masks and visors in an extremely hot kitchen throughout this year, keeping us all fed and watered and smiling throughout. The admin and operations team have kept us sane logistically, taken your calls, emails and met you in person with patience, calmness and support. What a bunch; what a great team! I really feel blessed to get to work with them all every day.

The team are great but the thing which really gets me out of bed every morning (and the rest of us of course) is your wonderful children who you kindly entrust to us every day. We feel really privileged that you picked us to educate, laugh with and love them on a daily basis. Thank you. And, thanks to you all for your amazing support over the past year. It's been another tricky one but you've picked us up when we needed it, given us smiles, nods of reassurance, words of wisdom and feedback to us when necessary when we've not quite got it right. We are only human after all!

Have a lovely break with your children when you manage to down tools too and send them back to us safe and sound on Monday 6th September. We will let you know about any changes to the regulations and start and end times as soon as we are able to, hopefully by the end of term.

ANNING & NEWTON CLASS NEWS

As we near the end of the year, it's hard to believe that our wonderful Year 6 children won't be with us for very much longer. They have shown such resilience and positivity during this unbelievably challenging time and we couldn't be prouder. Even as we head towards the end of term, they continue to be working hard, tackling tricky geometry work in maths and producing some amazing diary writing, packed full of vivid detail and emotion. Our topic is *'Tomorrow's World'* and the children have become quite adept at coding in computing - we can't wait to get out the brand-new robot heads and try our hand at programming! They are also busy throwing themselves into the end of year production - rehearsals are in full swing and, while it won't be performed live, we promise a digital recording to remember! Thanks for all your support this year!

YEAR 2 WOW DAY – MONDAY 19TH JULY

Lucky Year 2 will be having another WOW day on the 19th July. This time it will be a pirate themed day and we ask that your child come dressed as a pirate for the day.

SPORTS DAY – FRIDAY 16TH JULY

On Friday 16th we have our whole school sports day. Unfortunately, (as the sign of times), parents are unable to attend due this year to the current Covid19 restrictions in place, so this will be an in-house day for the children only.

CLEANER VACANCY

We are looking for a new member to join our dedicated cleaning team.

Hours: 12.5 hours per week (3.30pm – 6.00pm, Monday – Friday), 38 weeks a year (school term time only)
